

PPI AUTOMOTIVE DESIGN GMBH
EXCLUSIVE TUNING FOR AUDI AUTOMOBILES

2. PRESS RELEASE

January 01/2012

PPI Carbon Interior Accessories

PPI is already known as the most exclusive refining specialist for Audi models, and as a producer of bespoke upgrades. Beside exterior parts, PPI also offers a selection of tailor-made interior parts that enhances the overall appearance of your Audi R8 interior. PPI's parts work well with the original factory Carbon Fibre parts.

All parts are available in glossy or matte Carbon Fibre. The dream of a unique individual interior becomes true.

PPI R8 Instrument gauge surround

Imagine all of the drivers informations surrounded by real carbon. Luxurious completion of the carbon interior style. Visible emphasis on the sportive performance of the Audi R8.

A sportive and elegant item. Definitely an eye catcher for all R8. It gives the R8 a more individual touch and looks more exclusive than the OEM plastic parts. This part is available for LHD and also for RHD cars.

- real Carbon Fibre finish
- Available in matte or glossy Carbon Fibre
- Exclusive development of PPI
- Note: for LHD or for RHD

EXCLUSIVE TUNING FOR AUDI AUTOMOBILES

PPI R8 Radio Console

Very elegant carbon part that enhances the interior look of the Audi R8. This item was definitely overlooked from the original interior. And looks harmonious and in place with the rest of carbon fibre items for the R8 interior. This part will surround the Entertainment-System of the R8 and is the perfect addition for the carbon parts that are originally specified as optional equipment by Audi.

A sportive and elegant part.
It gives the R8 a more individual touch and looks more exclusivity. This part is available for LHD and also for RHD cars.
